

E-ACT Blackley Academy
Pupil PE and Sport Funding Premium Analysis 2015/16

National Context:

The government is spending over £450 million on this funding over the 3 academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016 to help primary schools improve the quality of the PE and sport activities they offer their pupils. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school head teachers/principals.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Plan for Pupil PE and Sport Funding Premium Expenditure for current academic year		
Level of Pupil PE and Sport Funding to be received under the funding	£9595	
Level of additional funding to be received from E-ACT Blackley Academy main budget	£23,810	
Focus of intervention/areas of spend	Cost	Success Criteria/impact data

officiated in the correct manner. This will develop the children's understanding of sports and the detail of playing the game. He will also pass on some knowledge to other members of staff.

They will also make sure that he will try and develop other members of staff knowledge of sports, making sure he is able to offer advice, supporting the children's learning.

Pastoral Play

This will be introduced throughout the year for small groups of children who need extra support, socially and through behaviour. It will be run by the sports coach. This is to support learning throughout the Academy through sport.
